

Dear Prospective Sponsor,

There is a new team in town! Introducing the Clarington Ravens. We are an elite fast-pitch softball team for 13 & 14 year old girls. We had the pleasure of presenting to the Rotary Club late last year. We are looking for your support!

The team provides an opportunity for the best players in the area to play against teams from Ontario and Quebec. We are relentless in our pursuit of providing opportunities for growth, development and enjoyment of fast pitch softball for girls in Clarington.

Our goals are:

- To increase participation for competitive fast pitch softball in Clarington for girls
- To increase girls' access to healthy activities
- To create a nurturing and supportive environment for girls to develop and grow
- To develop championship caliber teams
- To collectively make a meaningful and consistent contribution to our community

For the 2018 season, we are seeking sponsorships from local businesses to help the girls achieve their goals by helping with the cost for equipment, uniforms, gym, diamond rentals and tournament fees.

This is also a great opportunity to showcase your business / organization in Clarington and beyond! This season we will be travelling within a large geographical area from Aurora to Grafton. We will be taking part in several out of area tournaments in Ontario and Quebec.

All sponsors will be recognized on all literature produced about our team, showcased on social media and of course on our sponsorship banner that travels with us to league games and tournaments.

Three levels of sponsorship available:

BRONZE

For donations of **\$250+** Bronze sponsors receive a listing on all social media & your logo on our team banner and a thank you plaque to display in your place of business

SILVER

For donations of **\$500+** Silver sponsors receive benefits of Bronze sponsorship. Additionally, the opportunity to set up at tournaments we host to showcase and/or sell your product on our social media site.

GOLD

For donations of **\$1000+** Gold sponsors reap the same benefits of Bronze and Silver sponsors, and a prominent position on the team banner that travels with the team. Your promotional material distributed during events organized by the team and advertisements of our club such as event flyers and game schedules.
