Dear Rotary Club of Courtice:

On behalf of the Clarington Ravens Fastpitch Softball team, we would like to express our sincere appreciation for your donation during the 2017/18 softball season! The Ravens are going to have a great season.

As you know, the money will be used for uniform kits. This is such a generous gift especially in our inaugural year.

The objective of the Ravens is to impart firmly in our players the ideal of sportsmanship, fair play, honesty and hard work. We are relentless in our pursuit of providing opportunities for growth, development and enjoyment of fast pitch softball for girls in Clarington.

Thank you once again for your support! We are happy to call you a partner and champion. We appreciate and value your support.

Sincerely,

Theresa Gamble
